Customer Notes and/or Requirements to Meet Your Internal SOP's are Available on Request

We have BIG news!

We have expanded and now have a calibration lab in Cleveland Ohio! This makes it easier and faster for us to service your pipettes and cuts down on shipping times to the eastern and central US!

Additional and customizable options such as multiple extra data points or readings are available. Please contact service@pipette.com or (800)243-3232 to expand your calibration service.
